9) Student Login Page:

The login page features a background image of a library aisle. The title "Library Management System" is prominently displayed in white text. Below the title, there is a teal-colored login form. On the left side of the form is a small image of a desk with a laptop and an open book. The form includes fields for "Username" (containing "101") and "Password" (containing "*****"). Below the password field, there is a link for new users: "Not A memeber Yet ????? Register Now !!!!!?". At the bottom of the form is a blue "login" button.

10) Student Dashboard Book:

The dashboard has a library background and the title "Library Management System". A navigation bar contains five buttons: "Books Search" (highlighted in yellow), "View Data Info", "Return Book", "Place Order", and "Logout". Below the navigation bar, the "Books Search" section is titled and contains three input fields: "Book name", "Suggested", and "Author Name". Each field has a corresponding "Search" button to its right. The "Book name" and "Author Name" buttons are larger and more prominent.
